

CURRICULUM VITAE

NOMBRE Fernando E. Viteri

CARGO Profesor, Departamento de Ciencias Nutricionales y Toxicología, Universidad de California, Berkeley

ESTUDIOS CURSADOS

1955 Médico – Universidad de San Carlos, Ciudad de Guatemala, Guatemala

1965 Doctor en Medicina y Fisiología – Universidad de Cincinnati, Ohio

ANTECEDENTES PROFESIONALES Y EXPERIENCIA

1962 Integrante de la Junta Americana de Medicina Interna

1961-1962 Becario de Hematología, Nutrición y Metabolismo, Universidad de Cincinnati, Hospital General de Cincinnati

1957-1960 Médico Residente de Medicina Interna

1960-1961 Científico investigador, Universidad de Tennessee, Oak Ridge National Laboratories, Oak Ridge, TN, EE.UU

1962-1980 Profesor de Fisiología y Jefe de la División de Biología y Nutrición, Instituto de Nutrición de América Central y Panamá (INCAP), y Universidad de San Carlos, Guatemala

1967-1972 A cargo de la evaluación hematológica de la población de América Central, para la Encuesta Nutricional de América Central.

1976-2002 Asesor y miembro de Grupos de Expertos para la Organización Mundial de la Salud (OMS), la Organización de las Naciones Unidas para la Agricultura y la Alimentación (FAO) y UNICEF Central y Argentina en diferentes oportunidades y para distintos programas de salud, alimentación y nutrición.

1981-82 Asesor Regional e Investigador del Departamento de Enfermedades no Transmisibles. Organización Panamericana de la Salud/Organización Mundial de la Salud, Washington, D. C.

1982-86 Asesor Regional y Jefe del Programa de Nutrición y Alimentos. Organización Panamericana de la Salud/Organización Mundial de la Salud, Washington, D. C.

1992-98 Miembro del Grupo Consultivo de Anemia Nutricional (International Nutritional Anemia Consultative Group - INACG); Miembro del Comité Directivo.

1986 - Profesor, Departamento de Ciencias Nutricionales, Universidad de California en Berkeley, CA, EE.UU.

1991 - Universidad de las Naciones Unidas: Coordinador del Programa Internacional de Nutrición con Hierro.

1994 – 2003 Miembro del Comité Internacional de Vigilancia Científica del estudio SU.VI.MAX, INSERM/ISTNA/CNAM, Francia

1998 Miembro del Programa Internacional de Nutrición, Departamento de Nutrición, Universidad de California, Davis

2002-2005 Investigador Principal, Children's Hospital Oakland Research Institute (CHORI)

2005 Investigador, Children's Hospital Oakland Research Institute (CHORI)

2003- 2007 Presidente del Comité Asesor Científico Internacional del Instituto de Desarrollo e Investigaciones Pediátricas (IDIP), Hospital Pediátrico de la Provincia de Buenos Aires (Sor María Ludovica).

PREMIOS Y DISTINCIONES

Miembro electo de la Academia de Ciencias de Guatemala, 1977
Galardonado con el Premio al Servicio Meritorio OPS/OMS, 1980
Profesor Honorario de la Facultad de Medicina Francisco Marroquin, Guatemala, 1987
Profesor Visitante, Conservatorio Nacional de Artes y Oficios, INSERM, Paris, Francia, 1992-93
Profesor Extraordinario de la Universidad de Navarra, España, desde 1997.
Tercer Premio por trabajo de investigación presentado en el XXXIX Congreso de Pediatría, Guatemala, 1995
Primer Premio W.K.Kellogg por Trabajo de Investigación Latinoamericano en Nutrición Humana, 1997
Primer Premio en el, IV Congreso de Pediatría Colombiano Bienal-COLSUBSIDIO-AMERICAS, 1999
Miembro del Grupo de Trabajo “March of Dimes” para Nutrición y Desarrollo Humano Optimo, 1999 a 2001
Premio Año 2000 de la Sociedad Internacional de Investigación en Nutrición, perteneciente a la Sociedad Americana de Ciencias Nutricionales.
Conferencista principal en el XII Congreso Latinoamericano de Nutrición. Buenos Aires, Noviembre 2000
Conferencista sobre Problemas Nutricionales en América Central America y sus soluciones en el Encuentro de Ministros de Salud de América Central en Madrid, Marzo, 2001
Profesor en la Conferencia sobre Hierro del CDC/Emory/MI /ILSI: Creación de Estrategias Efectivas para Combatir la Deficiencia de Hierro. Atlanta, Georgia. Mayo 2001
Investigador Electo de la Sociedad Americana de Ciencias Nutricionales, Abril, 2003
Presidente Electo del Consejo Asesor Científico de la Sociedad Latinoamericana de Nutrición (SLAN), Diciembre 2003
Miembro electo de la Sociedad Internacional de “Bioiron”, Diciembre 2004.
Miembro Designado del Comité Asesor Científico del I Congreso Mundial de Nutrición en Salud Pública y VII Congreso de la Sociedad Española de Nutrición Comunitaria, Junio, 2005
Miembro de Convergencia, elegico por la Secretaría Nacional de Ciencia y Tecnología - SENACYT-) Guatemala 2005, 2006, 2007.
Galardonado con la Condecoración “Orden de Pedro de San José de Bethancourt”, mayor distinción al Servicio Público otorgada por el Gobierno de Guatemala a través del Ministerio de Salud, 2007.
